TOWN PLAN DENIED

The Conservation Commission has denied a petition by the town which proposed filling marshland at Aucoot Beach to make the triangular parking lot into a square parking lot.

In a second decision, the Conservation Commission granted permission to install a 30-inch culvert and riprap near the property line of the beach and Dorothy M. Boardman property. This is for marsh drainage purposes.

The Conservation Commission was asked to meet with the Board of Selectmen at 7 P.M. on October 15th to discuss the denied decision.

RELOCATION OF PARK POWER LINES

Dr. Stanley Mysliwy met with the Board of Selectmen and discussed the relocation of the electric power lines connected to his house that supply power for the bandstand, the Shipyard Park parking lot and the spot that lights the flag. They agreed to move the lines as the Dr. requested with the town to share the cost of the relocation with Dr. Mysliwy.

NORTH STREET REPAIR

In answer to a September 12 request by the Board of Selectmen the State DPW has prepared an estimate for the resurfacing of North Street from St. Anthony's Cemetery to Route 6. This section underwent heavy use as a state road during the period that traffic was routed to I-195 from Route 6 when the Fairhaven section of 195 was

HEARING SCHEDULED

A hearing is set for 8 P.M. on October 22 to consider the petition of the Village Deli for a wine and malt license to enable this beverage to be served in the restaurant of the Deli.

EEL POND DISCUSSION

The Board of Selectmen met with Mr. Frank McGuire and Mr. Jack Cannon of the State DPW to go over revision of the plan to correct the Eel Pond mouth problem. The opinion

OYSTERS RELOCATED

Shellfish Constable Gus Silveira has picked up 17 bushels of oysters from shoal water at Shell Beach and transplanted them in the Mattapoisett River. The oysters, in the original location, were partially exposed at low tide.

FEDERAL GOVERNMENT ORDERS STUDY

Executive Secretary George Hall reported to the Board of Selectmen concerning a meeting which he attended on their behalf which outlined a 3-year study by a regional group, such as SRPED, which will be made with 1/2 to 3/4 million dollars furnished by the Federal Government. The Federal Government has directed that the State make this study for a regional plan for Water Pollution Control. In the event that the communities involved have already solved or are in the process of solving their water pollution problem before this 3-year regional plan is completed, their solution will be allowed even though it differs with this 3-year Regional study which will be completed after the fact.

SPEED ZONE DIRECTIVE

The DPW has notified the Board of Selectmen that various roads have been speed zoned in town and await posting.

1) "Bus Stop Ahead" on Route 6 in advance of stop location on Jane Lane - to alert westbound drivers on Route 6.

2) Prospect Road and Angelica Avenue have already been speed zoned, ready for sign installation.

3) Harbor Road and Ocean Drive is part of a speed zone network to be studied as soon as speed limit signs are installed on Mattapoisett Neck Road.

Bicentennial Flag

BICENTENNIAL COMMITTEE REPORT

At a meeting of the Bicentennial Committee Mr. John Hall announced that Representative Charles McKenzie will present a Bicentennial flag to the town at 3 P.M. on October 14th at the Town Hall. This is because Mattapoisett is an approved Bicentennial Community.

The following slate of officers was elected: John DeCosta, chairman; Mrs. Harry G. Erhard, secretary; Mrs. Philip Murray, treasurer; Mr. Russell Tinkham and Mr. John Hall, Bicentennial Committee representatives.

It was voted to proceed with the restoration of the Wilson Barstow portrait in the library with permission from the trustees.

Mr. DeCosta presented tentative plans for a Festival Week to be held; hopefully during the third week of June 1976.

There was discussion about a bicycle trail. There are many pros and cons and more definite plans will be decided at the next meeting.

To The People of Mattapoisett:

During the 6 years that I served in the House of Representatives and the 2 that I served as Mayor of New Bedford, and now as I serve as a member of the City Council, I have always performed to the best of my ability, attempting at all times to reflect the feelings and concerns of my constituents.

In my first open letter to you, printed in the Presto on July 17th, I emphasized that if I were permitted the honor of serving you in the State Senate, I would provide the townspeople with the best possible representation and personal service. I made a pledge in that letter to be in Town Hall on Tuesday evenings so that I might meet with you personally and to be available to work with the Selectmen and other committees who require services that only an effective State Senator could provide.

Since successfully competing in the Primary on September 10th, I have made initial inquiries and feel certain that space will be available to set up an in-town office for your convenience. We have recruited a volunteer staff to man the office when needed. Thus, information regarding pending legislation, hearings and matters of importance would be routed to the proper people so that we may reflect your feelings and concerns on the floor of the State Senate.

This, then, is the kind of personal service I would bring to you as your State Senator.

The Town of Mattapoisett and the district as a whole needs a Senator who has a demonstrated record of effectiveness in state government, a record which I have documented and will continue to document during the course of the campaign.

I ask you to permit me the honor of serving you <u>full time</u> in the State Senate.

Sincerely,

George Rogers

Rochester Seniors

The meeting of the Senior Citizens' Club of Rochester was held on October 8th at the St. Rose of Lima Church hall with Mr. Samuel Spindler presiding.

The tables at the luncheon preceding the meeting were most colorful with Halloween decorations, place settings and individual favors, made by Mrs. Irene George, who received a vote of thanks for the lovely surprise.

Members expressed how much they and senior non-members had enjoyed the scenic bus trip to New Hampshire on October 7th, and thanked the committee who had made the trip possible. Mr. Spindler and Mrs. Evelyn Aiken, who had planned the bus trip, were assisted by Mrs. Irene George, Mrs. Evelyn Benner and Mrs. Lydia Spindler.

Following the business session, table games were played. Members who did not bring prizes for the October meeting, are asked to please bring prizes for the November meeting.

Mrs. Benner and Mrs. George served cider and doughnuts during the social hour.

The next meeting will be held on Tuesday, November 12th, at 1 P.M. Plans will be made at this meeting for the Christmas party which will be held in December. It will be necessary that members attend the November meeting if they plan to attend the Christmas party.

Show to Remember it's one you'll never forget or probably ever see again. Mrs. Doris Bartley, president of the club, is the producer of the show. The show will be Friday, October 25, and Saturday, October 26, at the New Bedford High School Auditorium. Both nights the show starts at 8:00 P.M.

This is an opportunity to see the professionals of vaudeville of New Bedford, a living legend. Doris Bartley has the combination of talent, brains, charm and efficiency. Don't miss this show. Never so much talents and acts - even poodles - in one show. It's a live show and something the younger generation can tell their grandchildren about.

The next Chateau de Ville Dinner Show will be the "Music Man". A Thursday matinee, December 5th, with the same arrangement, and bus leaving Mattapoisett at 9:30 A.M. allowing shopping time at the Mall. Keep this in mind. Send your reservation deposit to Mrs. Gloria Rounds, P. O. Box 735, Mattapoisett, before November 19th.

CALLING ALL STUDENTS AND PARENTS

The first class for grades 7 and 8 students and parents will take place on Monday, October 21, from 7 to 8:30 P.M. in St. Anthony's Church Hall. The class will feature registration of students, purchase of textbooks, an explanation of the year's program, an examination of the text and supplementary material, discussion and participation by parents and students, a guest speaker and refreshments. We urge all parents to attend, participate, and become familiar with the religious education of their children.

Let's get the year off to a good start! PARENTS: spend one class session with your children and experience the satisfaction that comes with an exchange of ideas and an awareness of Christian Community.

The Junior High teaching team welcomes all comments and suggestions for the success of the program.

Come meet us and let us know your views!

WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS HONORS BETTY RUGGLES

Betty Ruggles, a junior at Old Rochester Regional High School, was recently notified that she is to be featured in the Eighth Annual Edition of WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS, 1973-74, the largest student award publication in the nation.

Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than 3% of the junior and senior class students nation-wide are awarded this recognition.

Betty is the daughter of Mr. and Mrs. John E. Ruggles of Holly Woods, Mattapoisett. She is active in many sports, the

PUNT, PASS & KICK CONTEST WINNERS

The annual Punt, Pass and Kick contest sponsored by the Ford Motor Company was held last weekend at the Dias Field in New Bedford. Two Mattapoisett brothers took first place honors in the 10 year and 8 year old bracket respectively. Christopher Riley and Mark Riley, sons of Mr. and Mrs. Jeff Riley of 16 Pearl Street, received their trophies from "Scooter" Morris of the Ashley Ford Company. Christopher Riley received first place in the 9 year group last year.

The contest is sponsored annually with the winners advancing to regional and sectional competitions before trying for national champions at half-time of a National Football League game.

QUESTION 4 ON THE NOVEMBER BALLOT - THE HIGHWAY FUND

The League of Women Voters asks your support in the drive to open up the Massachusetts Highway Fund monies to be used for mass transportation as well as for building highways. The League has joined a coalition of citizens' groups and members of the state government to press for a yes vote on question 4 of the referendum questions that will be on the ballot when you vote in November.

What is the Highway Fund?

It is a fund which presently can be used for highway purposes only - from construction and maintenance to complete and partial support of more then ten state offices and programs.

Where does the money in the Highway Fund come from?

It comes from receipts from: 1) fees, duties, operation and use of motor vehicles and 2) taxes on the sale of motor

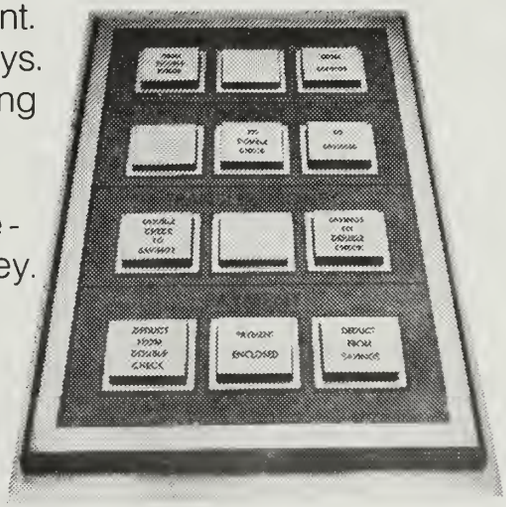
We have a new teller that never goes home.

The teller's name is PLUS/24. It's an automated teller and pretty soon it will be located outside the bank so you can get to it even when we're closed.

But right now, PLUS/24 is inside the bank and it's giving away money.

PLUS/24 is a talented machine. It lets you make deposits, make payments on your loan or mortgage, or add to a club account.

PLUS/24
Your 24-hour teller.



You can even make withdrawals anytime you want. Withdraw up to $100 a day, any day—even on holidays.

Because PLUS/24 is such a new thing we're giving special PLUS/24 lessons.

We've set the machine up inside the bank and we'll leave it there for a while so we can give you demonstrations, and so the machine can give you money.

When you try out PLUS/24 you'll be making surprise withdrawals. But you'll be withdrawing our money. From 25c to $10.

vehicle fuels. Most of the money comes from the gasoline tax and from fees paid for drivers' licenses.

How is the money in the Highway Fund spent Now?

The gas tax provides the Fund with 7 1/2 cents for every gallon of gasoline sold. Of this, 3 1/2 cents goes to salaries and budget for more than ten state offices and programs including the state treasurer and the state police. One cent goes to the cities and towns for highway maintenance. 3 cents goes to the debt service account to pay off bonds for highway construction. It is the money in this debt service account (approximately 40 percent of the total) which will be available for mass transportation purposes when the amendment is passed.

Isn't the money committed for several years to road building?

Yes, it is committed for paying off bonds on roads already constructed. There could be a surplus in the debt service account after the bonds are retired. In 1973, there was a surplus of $25 million in the debt service account.

How could the money in the Highway Fund be used in local communities?

Each region should be able to determine its own needs whether it be trains and buses for one area or highways for another. The need for mass transportation systems in the Commonwealth is urgent and we need money to upgrade those systems. By opening up the Highway Fund, the legislature would be given more flexibility in planning for and in spending for mass transportation according to each area's needs.

Won't our taxes go sky-high if we pass this law?

No. Opening up the Highway Fund will make available money that might otherwise have to be raised through taxes.

Won't all the money go into the MBTA?

The 1973 transportation legislation set a spending precedent - the legislation stipulates that the money from state funds

must be spent half within the MBTA district and half outside the district.

A yes vote on question 4 would allow flexibility in planning and spending for the Commonwealth's transportation needs; allow more local options; not mean new taxes, just a redistribution of existing Highway Fund money.

NEW YORK (ED) – Football without food? Impossible! Pro football's 100 million armchair quarterbacks –just getting into action for yet another season – often seem as interested in eating as in the game.

Some of this year's best new football – entertaining ideas revolve around NFL Training Table Foods; the fact that they're "football's own" makes them a natural for easy picnic parties.

Whatever your menu, make it hearty. For a basket lunch – at the stadium, or back in your own backyard, before everyone adjourns to watch TV – try a filling, colorful Bread Bowl salad. All you do is slice the top off a round loaf of bread and scoop out the bottom. Butter the resulting "bowl", line it with lettuce and fill with a meaty salad. To serve, slice wedges of the "bowl" and top with a slice cut from the top of the bread. Result: a football "hero".

And don't forget the snacks and sweets; with everyone munching all through the game, they're a must.

The Wise Wife's Football Glossary

Take it from a generation of "football widows": you can't fight the fans, so you might as well join 'em. The wise hostess knows her way around football as well as around her kitchen. To impress the man of your house (and get more out of game-watching yourself), start with a quick brush-up on the pass patterns—the basic language of football.

Down-and-out: *Receiver runs down the field and turns out to sideline.*

Down-and-in: *Receiver runs down the field and turns in to the center.*

Sprint-out: *Passer sprints out to side as if it's going to be a running play, and then he passes.*

Remember, it's what you don't know that can hurt you.

BREAST CANCER

Women who have been treated for breast cancer should consult with their own physicians, rather than make comparisons of their cases with that of Mrs. Gerald Ford.

According to Dr. Robert H. Goodwin of the Greater New Bedford Unit of the Massachusetts Division of the American Cancer Society, some statistics cited in recent newspaper, radio and television coverage of the First Lady's operation for breast cancer can be misleading.

"Breast cancer is not a single disease. Location, type and extent of tumor vary and because of this, treatment and its results differ from individual. The course of treatment and its outcome can best be evaluated by the patient's personal physician."

The ACS urges any women who has had or will have treatment for breast cancer to consult with their physician regarding any questions they may have.

Junior Grange

The Mattapoisett Junior Grange will hold its meeting Friday night, October 18th, at 6 P.M. Plans will be discussed in regards to the 40th anniversary. A partial committee met at the matron's home to set up an outline of activities. A change in dates was discussed in changing the celebration to April or May when the weather would be more suitable. Mattapoisett Junior Grange was organized on February 9, 1935 by the late Mattie DuBois, Deputy of the Massachusetts State Grange, with Mrs. Dennis Sylvia first matron. This is the oldest Junior Grange in Massachu-

Rusk will be the leadoff speaker for the 1974-75 SMU Lecture Series season. The speakers to follow will include Anthony Burgess, author of "Clockwork Orange"; the Reverend Jesse Jackson, famed black leader and Director of Operation PUSH; and Daniel Rather, former Chief White House Correspondent for CBS Television.

Though presently Professor of International Law at the University of Georgia School of Law, Mr. Rusk, as a result of his controversial role in chartering American foreign policy during the Vietnam War era, has made few public speeches in recent years. Because of this fact his address at SMU is expected to draw wide, even national press attention.

Mr. Rusk was first tapped to be the nation's chief foreign affairs advisor in late 1960 by the then President elect, John F. Kennedy. Following Kennedy's assassination, President Johnson asked Rusk to stay on as his Secretary of State.

Born in Cherokee County, Georgia, in the early part of this century, Rusk graduated from Davidson College, Phi Beta Kappa, went on to be a Rhodes Scholar at Oxford University in England and in 1940 received his law degree from the University of California at Berkeley. He later served as Associate Professor and Dean of Faculty at Mills College. After World War II service in the U. S. Army, he went with the Department of State becoming eventually Assistant Secretary for United Nations and Far Eastern Affairs. From these positions he went to the Presidency of the prestigious Rockefeller Foundation, 1952-1960.

BANK QUARTERLY MEETING

During the past twelve months the Fairhaven Savings Bank has granted over $11,000,000 in real estate mortgage loans, over $3,000,000 in personal and collateral loans and over $1,000,000 in home improvements, F.H.A. loans. All of these loans have been in the local area to assist local home owners and business people.

The surplus and guarantee fund is now almost 11% with the addition of approximately $900,000 in the past year in the report given to the Trustees at the recent quarterly meeting. The President indicated that it appears that the disintermediation has slowed down and the trend is towards a gradual and hopeful increase in deposits.

Two-hundred and sixty-five local students have been granted H.E.L.P loans so that they may continue their education, twenty-six of these in the last two months. Total loans in this category are in excess of $300,000. The bank's experience with the educational loans has been very favorable as compared with other published reports nationwide.

The Trustees were informed that an automated teller machine has been ordered and will be in operation after the first of the year. This is another customer service that will be available at the new Main Office. In addition to this service approval by the Trustees was granted to offer the new improved Keogh Plans in the future. Play clay is a kitchen-made clay that hardens to a ceramic-like quality. Make a batch of play clay and then roll out or mold into jewelry shapes. Trim with fragrant herbs or spices for long lasting pungence. Paint with water colors, poster paints or felt-tip pens and finish with a protective coating of clear plastic spray or nail polish.

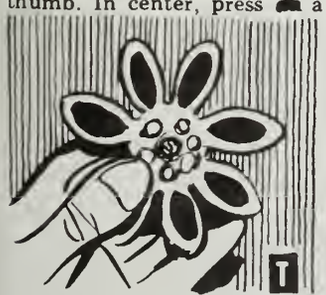
To make a batch of clay, mix 2 cups baking soda and 1 cup Argo corn starch in a saucepan. Stir in 1 1/4 cups cold water and cook over medium heat, stirring constantly, until mixture reaches a slightly moist, mashed potato consistency. Transfer immediately to a plate and cover with a damp cloth. When mixture is cool enough to handle, knead as you would dough until smooth. Working on a protected surface, shape clay free-hand or roll out to about a 1/4-inch thickness and cut shapes with cooky cutters. Shapes will harden and dry at room temperature in about 36 hours. Any left-over play clay can be stored for later use in a tightly closed container.

Now you're ready to try a Crazy Daizy Pin. Roll clay to 1/4-inch thickness. Cut a flower shape with a cooky cutter. Press petals down with thumb. In center, press a



small circle of tin foil that has been pierced. Around it, press silver cake decors secured with a drop of white glue. When dry, paint petals and glue a pin clasp to back.

Trustees were informed by President Richard H. Carpenter that an in-house contest among the employees was in progress to open new N.O.W. accounts. The response to the contest by the employees has been very gratifying and the number of new accounts has exceeded expectations.

The President reported that the bank has representation on the Transfer of Funds Committee and the Mortgage Committee of the State Association this year. Many of the employees are taking advantage of the bank's policy of assisting them in furthering their education by attending classes at S.M.U., A.I.B in Providence and Bristol Community College in Fall River.

"...Cuckoo's Nest"

PLAY AT SMU THIS WEEKEND

The SMU Theatre Company of Southeastern Massachusetts University will present "One Flew Over the Cuckoo's Nest" on October 18, 19 and 29 at 8:00 P.M. in the SMU Auditorium.

Directed by Angus Bailey and written by Dale Wasserman, the play is based on the popular novel by Ken Kesey.

The story centers around a work farm prisoner who feigns the easy life of a mental institution. Once there, he declares war on the system.

The SMU Drama Club and Theatre Workshop are using a new, combined name, the SMU THEATRE COMPANY, to introduce their first, full-scale season of six productions.

Photography Conference

FALL CONFERENCE AT SMU

The Society for Photographic Education will hold its New England regional fall conference at Southeastern Massachusetts University on October 19.

The conference will provide photographers, photography teachers, and all others interested an opportunity to learn and exchange ideas, according to Professor Theodore Mead, SMU host for the gathering.

The morning workshop will deal with "archaic processes -- how and why". Coordinator will be Thomas A. Perkins of the Taft School. Subjects will be gum bichromate printing, cyanotype, and bromoil transfer. Leading the workshop discussions with Mr. Perkins will be Bob Gumpper, free-lance photographers from Connecticut, and Peter Christnam of Western Connecticut State College.

The afternoon workshops, 1 P.M. - 3:15 P.M., are entitled "Use of Photographs in Teaching". Coordinator is Arthur Nager, professor of photography at the University of Bridgeport. Participants are Syl Labort, in-

STUDDS PRESSES FOR PASSAGE OF PRIVACY PROTECTION ACT

WASHINGTON, D.C., OCTOBER 7 -- Rep. Gerry E. Studds, D-Mass., today made a personal plea for the passage this year of the Comprehensive Right to Privacy Act of 1974.

Studds, who co-sponsored the legislation last June, said he strongly supports a "right to privacy to safeguard the privacy of our daily lives and to protect every man, woman and child from erroneous and damaging information in government files.

"I have talked privately with both House Speaker Carl Albert and House Majority Leader Thomas P. O'Neill to urge them to bring this vitally important measure to the

Chef's Touch Ideas for Quick and Easy Cooking

Using a basic mix, like a spaghetti sauce one, you can come up with a wide variety of dishes. The prepared sauce makes an interesting basic basting sauce for both chicken and spareribs. Browned pork chops cooked in the sauce take on a different character. Serve these with rice or even noodles.

Lasagne is quick and easy when you use prepared spaghetti sauce mix. The packaged mix can also be used to prepare pizza, chicken cacciatore, eggplant Parmesan and, of course, spaghetti. A tossed green salad and vegetable round out the Italian meal.

Substitute white wine for part of the water called for when preparing the sauce, and you have an interesting flavor for children. Simply brown chicken pieces, put in casserole and pour the wine-flavored sauce over the top. Cook in the oven until the chicken is done.

And, of course, spaghetti sauce mix may be used to prepare the traditional Italian dishes such as pizza, veal or eggplant Parmesan and lasagne.

Following is a recipe for Lasagne Supper. It's an old recipe with a new twist. Chopped broccoli has been added for color, flavor and extra nutrition. It's also meatless to help the budget. To give yourself a night off from cooking, make two at one time and freeze one before baking it. It will be ready for one of those days you had no time for cooking or just didn't want to cook.

LASAGNE SUPPER

- **9 lasagne noodles (about ½ pound)**
- **1 1½-ounce package McCormick/Schilling Spaghetti Sauce Mix, prepared**
- **1 pound ricotta cheese**
- **¼ cup grated Parmesan cheese**
- **1 teaspoon McCormick/Schilling Italian Seasoning**
- **¼ teaspoon salt**
- **¼ teaspoon McCormick/Schilling Black Pepper**
- **3 cups cooked chopped broccoli**
- **6 3x3-inch slices American cheese**

Cook lasagne noodles following package directions. Arrange 3 of the noodles in a lightly buttered 11¾ x 7½ x 1¾ inch baking dish. Spread 2/3 cup spaghetti sauce over noodles. Spread ricotta cheese over sauce and sprinkle with 2 tablespoons of the Parmesan cheese. Combine Italian seasoning, pepper and salt; spread 2/3 cup of the remaining spaghetti sauce over noodles. Arrange broccoli over sauce and sprinkle with remaining 2 tablespoons of the Parmesan cheese and ½ teaspoon of the remaining sprinkle ½ teaspoon Italian seasoning mixture over cheese. Arrange 3 of the lasagne noodles to form next layer, Italian seasoning mixture. Top with remaining 3 lasagne noodles; spread with remaining spaghetti sauce and sprinkle with remaining Italian seasoning mixture. Arrange American cheese slices on top and bake in 350°F. oven 40 minutes. Makes 6, 3½ x 3½-inch servings.

House floor for a vote before we recess for the elections," Studds added.

"This bill would simply mandate that federal records must be open to the individual they concern so that any errors or false information can be corrected. The bill also would require that access by others to these personal files would be limited."

The 12th District Massachusetts Congressman said it was of the "highest importance that abuses of personal dossiers within the federal government be ended so that every man, woman and child in America can be sure that such information is correct and factual."

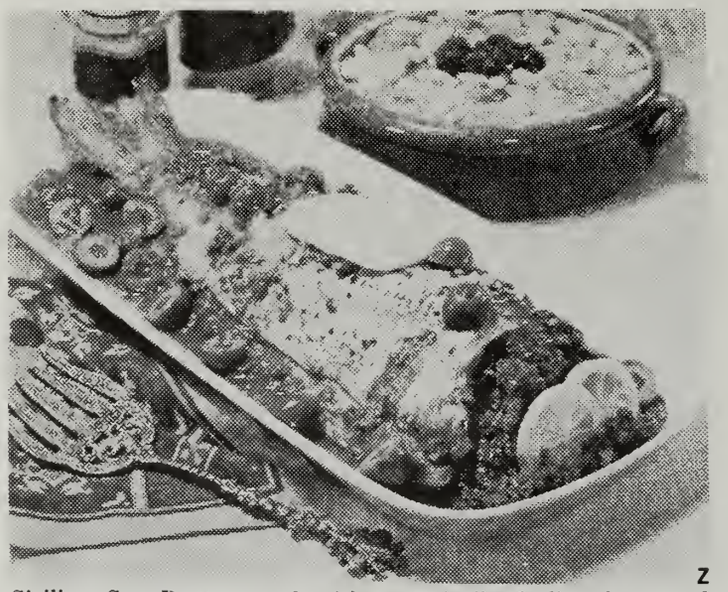
Colorful Foods Please the Eye and the Appetite



Sicilian Sea Bass, served with a typically Italian bean and tomato casserole, tempts the eye as well as the tastebuds.

NEW YORK (ED) — Throughout the Far East and the Southern reaches of Europe, good cooks know that food should please the eye as well as the palate. Sea bass sauced in red and green, and garnished with yellow lemon slices, is an Italian favorite, from the kitchens of Progresso Foods, that looks every bit as delicious as it tastes. And it's wonderfully budget-conscious, too; fish remains a best buy, and when it's as appealing as this, even confirmed meat-eaters will be converted.

SEA BASS SICILIANA

1 sea bass or halibut (3 lb.), cleaned
salt and pepper
½ tsp. basil
1 clove garlic, chopped
1 cup chopped onion
¼ cup olive oil
1 can (10½ oz.) Progresso Red Clam Sauce
½ cup dry white wine (optional)
1 cup pimiento-stuffed olives, cut in half
Lemon slices

Place fish in foil-lined baking pan; sprinkle with salt, pepper and basil. Saute onions and garlic in hot oil; pour mixture over fish. Bake in 350° oven 20 minutes. Add wine and olives to clam sauce and pour over the fish. Return to oven and bake 20 minutes or until fish flakes easily with a fork. Remove fish to warm platter. Reduce sauce remaining in pan by boiling rapidly for 5 minutes. Surround fish with sauce; garnish with lemon slices. Serves 6. Serve with Cannellini-Tomato Medley.

CANNELLINI-TOMATO MEDLEY

¼ cup olive oil
1 tsp. dried sage
1 can (20 oz.) Progresso Cannellini Beans
4 ripe tomatoes, peeled and cut in eighths
salt and pepper

Heat oil with sage in heavy saucepan until very hot. Reduce heat; add beans; stir 3 minutes being careful not to scorch. Add tomatoes, salt and pepper; stir lightly until moisture has almost evaporated, about 5 minutes. Serves 6.

shoot will also be held that day, with turkeys as prizes.

Clubhouse facilities and the clubhouse kitchen will be open. Refreshments will be available.

The Club will hold a Pheasant Hunting Derby during the pheasant season. Tickets for this derby will be available at the clubhouse. Trophies will be awarded to the winners.
